

About Political Action Committee

What's the Political Action Committee

The Political Action Committee of Local 1751 ensures that the members of the IAM 1751 are represented in Ottawa and Quebec. From legislation that destroys vital laws that protect working men and women, to ensuring that the members' issues are heard – the PAC spends countless hours speaking with Members of Parliament (MP's federal) , Ministers of National Assembly (MNA provincial), senators and Political leaders on behalf of IAM 1751 members.
