The parties recognize that in the best interests of the Union, the Employees and the Company the emphasis in this Article should be placed on resolving complaints at the lowest possible level and in an expedited manner.

17.01 INDIVIDUAL/GROUP AND POLICY GRIEVANCES

Individual or group grievances arise when an employee or employees, believe her or their rights as set out in the Collective Agreement have been violated.

Any matters affecting the Union, or matters of interpretation, or any subject in which the Union or Company may have an interest, could be the subject of a policy grievance. Such matters shall be initiated at step two of the grievance procedure.

Step One

A meeting to resolve the issue will be held between the shop steward, employee(s), and the Company within ten (10) working days after the occurrence or awareness of the situation causing the complaint. If the parties are unable to resolve the complaint, a grievance will be filed.

Step Two

Within ten (10) working days of receipt, the Chief Shop Steward will meet with Local Management for potential resolution.

If resolved by all parties, the grievance shall be concluded in writing at that meeting.

If the parties are unable to resolve the grievance, it will be forwarded immediately to District Lodge 140 and Labour Relations along with all relevant documentation.

Step Three

Within ten (10) working days of receipt of the grievance, District Lodge 140 will meet with Labour Relations. Within ten (10) working days following the meeting, District Lodge 140 will advise Labour Relations whether the grievance is to be discontinued or will proceed to arbitration.

GENERAL

- 17.02 All time limits mentioned in this Article will be full calendar days and exclude Saturday, Sunday and General Holidays.
- 17.03 The parties may waive any step in this procedure and/or extend the time limits by written agreement. If an extension is requested, the time limits will be frozen until such time as a written response is received. Should either party exceed the time limits set out in this Article, the other party may initiate proceedings to the next level.
- 17.04 A grievance/arbitration will normally be processed at the base where the affected employee is stationed or in the case of a policy grievance, at the base where the grievance was initiated, unless such arrangements would unduly affect the schedules of the representatives involved in the grievance/arbitration process, or, unless both parties agree that costs involved in processing such grievance/arbitration at that location would be prohibitive.
- 17.05 All meetings between Company representatives and representatives of the Union will be held by appointment during regular working hours without loss of time to representatives of the Union. If the Union representatives call such meetings, overtime will not be paid.
- When investigations are held and employees are required to make statements on matters affecting the Agreement, a Union representative may be present.

- 17.13 All hearings shall be scheduled to commence between the hours of 0900-1600 on weekdays (i.e., Monday to Friday inclusive) and every reasonable effort will be made to schedule such hearings during the employee's scheduled working hours. Exceptions to the above will be made when the employee is unavailable due to assignment, sickness, vacation, etc.
- 17.14 It is agreed that employees covered by this Agreement will not be required or allowed to impose disciplinary action upon other employees covered by this Agreement. However, this provision is not intended to prevent an employee from giving relevant evidence at hearings and investigations.

 - (i) Rendered verbally to parties within three (3) working days of hearing.
 - (ii) Confirmed in writing within two (2) calendar weeks of hearing.

- (7) Arguments will be presented only to points in issue.
- (8) Case authorities will be limited to the airline industry whenever possible and will go only to points at issue.

42.02 In the event of notice as provided in clause 42.01, this agreement shall remain in full force and effect while negotiations are being carried on for the arrangement of a further agreement.

42.03 There shall be no retroactive application of the terms of the agreement to employees not on the payroll as of March 31st, 2016 other than those retired, on leave of absence or on laid-off status.

8. Schedule Changes There will be no switching of scheduled days off without the approval of local management.
9. Unexpected Items Any items not outlined in the above Guidelines will be reviewed by the Company and the Union as they arise.

LETTER OF UNDERSTANDING NO. 2 - FLEXIBLE HOURS **GUIDELINES**

Where operational requirements permit, flexible hours work arrangements may be established. Core hours, flexible time zones and staff levels will be determined at the local level between the affected employees and management.

1. **Scheduled Working Hours** 2 week pay period - 10 days = 80 hours.
Each employee will be responsible for ensuring that eighty (80) hours of work is completed in each two-week pay period. Any shortages will be made up from the employee's time bank or, if there are insufficient hours in the time bank, will be deducted from her pay cheque.

3. **Regular Work Day** The basic work day including vacation, general holidays, floaters, paid LOA and sick leave will be eight (8) hours. Upon approval from the respective Supervisor, the employee may work up to nine and one-half (9,5) hours in one day at straight time wages.
4. **Overtime** Overtime will be paid for all hours worked in excess of eighty (80) hours per pay period. However, all time owed is paid back before overtime credits apply.

**LETTER OF UNDERSTANDING NO. 3 - HISTORICAL
PRECEDENTS**

SUBJECT: Canadian/IAM&AW Agreement No. 3 (Clerical)
Historical Precedents

It is agreed that upon ratification of Agreement No. 1 all Letters of Understanding, Intent or Agreement, collective bargaining notes, Arbitration awards and all other ancillary documents except those dealing with disciplinary matters, that pertain to any of the donor agreements, will be null and void and have no force and effect, and will not be used as a precedent in interpreting the language of Agreement No. 3.

LETTER OF UNDERSTANDING NO. 4 - CONTRACTING OUT

- L4.01 It is recognized that it is mutually desirable that work normally performed by a classification in the bargaining unit not be sub-contracted. However, it is also recognized that it may be necessary to sub-contract a variety of such work for a variety of reasons, such as lack of facilities, lack of capital equipment, lack of Government approval or other expertise or lack of sufficient work to efficiently utilize full or part-time employees. In addition, it is recognized that the Company may, from time to time, have a need to sub-contract work on a temporary basis due to workload or the loss of a facility. In these events the Company will discuss the need with the Union on a local basis prior to proceeding with the contract.
- L4.02 Nevertheless, it is not the intention of the Company to sub-contract work currently performed by the bargaining unit for the purpose of evading the negotiated wages and/or benefits of employees currently working for the Company. Nor is it the intention of the Company to increase the practice of sub-contracting bargaining unit work on a regular basis. The Company will only contract out such work when there is a clear economic advantage to doing so.
- L4.03 Notwithstanding the above, the Company agrees that the introduction of a sub-contract will not result directly in the loss of employment of any permanent employees employed at the date of ratification of Agreement No. 2 in classifications affected by the sub-contracting, except when justified by special circumstances.
- L4.04 Should a dispute arise concerning the justifiable special circumstances, as outlined above, the parties agree to refer the matter to Mr. V. Ready on an expedited basis, for a final and binding resolution.

LETTER OF UNDERSTANDING NO. 5 – CONTRACTING IN

- L5.01 It is hereby agreed that outside contracts are of increasing importance to the Company and its employees. It is also agreed that the provisions of this Agreement have been negotiated primarily for the purpose of governing working conditions applicable to the Company-owned operations and that it is mutually desirable to have employees doing the Company's business whenever it is economically practicable.
- L5.02 Therefore, it is agreed that, when there is an opportunity to bring in outside contract work, and/or to bring in work of the Company which is currently being sub-contracted, the parties will meet in an effort to make competitive arrangements to enable the IAM&AW to share in the growth of the Company. Such arrangements may include a waiver(s) of the provisions of any terms and conditions of the Collective Agreement.
- L5.03 A joint Union/Management committee may be convened to review manpower requirements and working conditions that will improve the Company's competitive position.
- L5.04 The joint committee will consist of one representative from District Lodge 140 and associated local lodges, a representative from Labour Relations and appropriate other Company representation.
- L5.05 Should the committee mutually agree that adjustments can be made to Articles within this Agreement, any such adjustments would only remain in effect during the term of the successfully solicited outside contracts.

**LETTER OF UNDERSTANDING NO. 6 - INTENTIONALLY LEFT
BLANK**

LETTER OF UNDERSTANDING NO. 7 - VOLUNTARY SEPARATION

Voluntary Separation Incentive Program (VSIP) for full-time employees who may wish to retire or otherwise voluntarily separate from employment with Air Canada in order to mitigate the layoff of surplus employees.

1. Initial Selection for acceptance for VSIP will be made from employees in the affected classification in the affected department where the surplus has been identified. If insufficient volunteers can be found within the affected classification in the affected department, the Company may consider volunteers in the same classification from other departments at the base.
2. Acceptance will be based on bargaining unit seniority within the classification in the affected department. The release date will be based on operational requirements.
3. Determination of acceptance of the applications for VSIP will be solely at the discretion of the Company.
4. Employees who voluntarily sever will mitigate a layoff (thus preserving employment for another employee) and will be eligible for Employment Insurance in accordance with Employment Insurance regulations.
5. The amount of VSIP will be calculated at one (1) week's pay for each completed year of service up to a maximum of twenty (20) weeks.
6. For purposes of VSIP calculation, completed year of service shall be defined as including occupational leave, union leave of absence, jury duty, maternity leave, child care leave and pre-natal leave. Time not worked due to non-occupational injury over seventy (70) calendar days, layoff, suspension, personal leave of absence, or strike, will not be included in calculation of years of service.

7. Employees who are participants in the IAM pension plan and who would reach a pension milestone may elect to participate in VSIP and remain on the payroll for payment of severance monies associated with the program until the milestone is reached. In these cases the bi-weekly payments would be subject to EIP contributions. Once the milestone is reached the remaining monies will be paid out in a lump sum.
8. Employees whose VSIP entitlement would enable them to reach a pension milestone or a twenty five (25) year retiree card may remain on payroll until the milestone is reached recognizing that payments would be subject to EIP contributions and once the milestone was reached, the remaining monies would be paid out in a lump sum.
9. Employees who elect to remain on the payroll to reach a milestone will be eligible for all benefits at 100% employee cost except for STD, LTD and WCB which are not available.
10. Employees who are within forty (40) weeks of normal retirement who are accepted for VSIP will be limited in lump sum payment to one-half the weeks left to retirement, e.g., if an employee has thirty (30) weeks to retirement, VSIP will be equivalent to fifteen (15) weeks' pay.
11. In the case of a base closure, the following provisions will apply:
 - Employees at the bases which are closing, who wish to sever will be given two (2) weeks' pay for each year of completed service as defined in provision (6) above, up to a maximum of twenty-six (26) weeks
 - Employees who are within fifty-two (52) weeks of normal retirement who are accepted for VSIP will be limited in lump sum payment to one-half the weeks left to retirement, e.g., if an employee has thirty (30) weeks to retirement, VSIP will be equivalent to fifteen (15) weeks' pay.

LETTER OF UNDERSTANDING NO. 8 - MITIGATION OF STAFF REDUCTIONS

Mitigation of Staff Reductions

During discussions for contract negotiations it was agreed that should a staff reduction become necessary during the life of this agreement the Company agrees to make the Deferred Payment Leave Plan (DPLP) (e.g., 80/20, 90/10 or other mutually satisfactory application) and the Long Term Leave of Absence Program in effect from previous staff reductions available to mitigate the layoff.

The Company also agrees to meet with the Union for the purpose of discussing Voluntary Severance Options, Work Share Programs or other means mutually agreeable to the parties in an effort to further mitigate the layoff.

LETTER OF UNDERSTANDING NO. 9 - ADDITIONAL QUALIFICATIONS

Following the 2012 round of collective bargaining negotiations, the parties agree to constitute a committee for the purpose of dealing with all outstanding items relating to specialized skills and/or abilities applicable to certain positions covered under the IAMAW certification.

The committee will be comprised of one (1) IAMAW District 140 General Chairperson and a maximum of three (3) local lodge representatives. The Company will delegate a maximum of two (2) representatives from Corporate Labour Relations and one (1) representative of the operation (subject matter expert).

LETTER OF INTENT NO. 1 - WORK SHARE PROGRAM

During negotiations for this agreement, the parties discussed the feasibility of introducing a Work Share Program. Due to the complexity of this matter, the parties agree to meet to finalize discussions regarding the program prior to the expiry of this collective agreement.

Should the need to introduce this program become necessary sooner, as a means to mitigate loss of employment, Work Share will be discussed prior to the layoff of affected employees.

LETTER OF INTENT NO. 2 - CERTIFICATION AMENDMENT

- L2.01 The Company agrees to consider proposals from the Union to bring specific positions that are presently outside the Union's certification into scope in those cases where the Union can demonstrate that the position responsibilities do not meet the exclusion criteria as defined by the Canada Labour Code and that the job functions are consistent with the criteria set out in the Union's certifications.
- L2.02 Where the Company is satisfied that the above requirements have been met, it will voluntarily recognize the Union as the certified bargaining agent for the positions in question, and those positions will be subject to Clause L2.04 below.
- L2.03 Should the Parties fail to reach consensus regarding the appropriateness of including a particular position under the Union's bargaining certificate, the Union will have the option of making application to the Canada Labour Relations Board for a ruling.
- L2.04 Where a new classification is established under the Union's certification, the Parties will meet and negotiate wages, benefits and working conditions which will not exceed any of the current provisions of Agreement No. 3, unless otherwise agreed.
- L2.05 If the parties are unable to reach agreement on such matters, the dispute will be referred to mediation/arbitration for final resolution.

APPENDIX C

WITHOUT PREJUDICE OR PRECEDENT

November 4, 1999

Dave Ritchie, General Vice-President in Canada (IAMAW)
15 Gervais Drive, Suite 707
North York, ON
M3C 1Y8

Dear Mr. Ritchie,

In addition to the commitments outlined to you by Robert Milton on November 01, 1999 and subject to agreement by you and the IAMAW, Air Canada is prepared to table the following considerations and commitments.

- A) Voluntary recognition of the IAMAW as the sole bargaining agent for employees of the new low-cost airline employed in similar functions to those identified in the IAMAW Collective Agreement. The Union recognizes and acknowledges that the mandate of the new airlines is one of low-fare/low-cost and that this will be given due consideration in the development of the terms and conditions of a new collective agreement between the new Company and the IAMAW.
- B) Wage rates at Canadian Airlines be brought back to pre-1996 book rates effective with the first pay period in January of 2001.
- C) Effective January 1, 2001 wage rates for Canadian employees will move to 50% of the wage differential between similar active classifications and categories as outlined in the Air Canada Collective Agreement.

Note: Where wage scales and job classifications do not align, the parties will meet to agree on how best to achieve this alignment.

- D) Effective January 1, 2002 Canadian employees will move to full Air Canada wage rates involving similar active classifications and categories as outlined in the Air Canada Collective Agreement.

- E) The parties will sign a Letter of Intent agreeing to a contract extension of three (3) years effective June 23, 2002 with the following provisions:

Wage increases will be:

2.5% effective June 23, 2002

2.5% effective June 22, 2003

2.5% effective June 20, 2004

- F) In conjunction with the effective date of the annualized wage increases, wage increases will be subject to further negotiations if:

- i) Other bargaining agents (CAW, ALPA, ACPA or CUPE) have negotiated higher percentage wage uplifts.

And/or

- ii) The Consumer Price Index of the previous year exceeds the above wage increases by more than 1% for any of the three (3) calendar years referenced above.

- G) The parties further agree to incorporate any and all other mutually agreed-to items in this Letter of Intent.

- H) Any and all other issues not resolved by this letter of intent will form part of the normal bargaining agenda and process subject to the following:

- I) Any matters that are not resolved through direct collective bargaining will be referred to an agreed-to mediation process for resolution prior to either party applying for conciliation and/or exercising strike/lockout provisions of the Canada Labour Code. The right to strike with respect to wages is limited to the normal collective bargaining process that will occur at the termination of the current collective agreement (June 22, 2002) if either of the "triggers" identified in item F apply. Should the conditions of item F trigger additional discussions with respect to wages during 2003 and 2004, and given that there is a Collective Agreement in place, then the Union will not resort to strike action related to such further negotiations regarding wages.

- J) The Letter if Intent will have the full recommendation of the Union and is subject to ratification by Canadian Airlines employees.

K) All other terms and conditions of the Canadian Airlines agreement, with the exception of wage outlined in C and D, will remain in force and be extended until June 22, 2002 unless otherwise mutually agreed to.

In consideration of all the above, the IAMAW at Canadian Airlines agrees and undertakes to remain neutral in their preference to either the ONEX proposal or the Air Canada solution in this current industry restructuring.

As part of this agreement the IAMAW agrees and undertakes that they will neither initiate nor support a common employer or sale of business application against Air Canada should the Air Canada proposal for the industry restructuring prevail.

Your earliest response to these initiatives would be appreciated.

Yours truly,

P.J. Heinke
Senior Director, Labour Relations

**CLERICAL COLLECTIVE AGREEMENT
("The Union" or "IAMAW")**

WHEREAS a number of factors have created a financial crisis in the airline industry in general, which have resulted in Air Canada having to seek protection under the Companies' Creditor Arrangement Act (CCAA);

AND WHEREAS this Memorandum shall confirm the agreement by the parties to a full and complete resolution of all outstanding issues raised between the parties during this round of negotiations;

AND WHEREAS this Memorandum shall also be subject to ratification by the respective principals of the parties. Once ratified, the Collective Agreement shall be in effect until June 30th, 2006. Accordingly, the parties agree as follows:

1. Reduce all wage rates by 1.5% effective June 08, 2003 and cancel the 2.5% increases for June 22, 2003 and June 20th 2004. Introduce a Profit-Sharing Program for all employees covered by the Air Canada / IAMAW Clerical Collective Agreement.

6. The Company and the Union agree and commit, subject to the requirements of the Canada Labour Code, that the attached Letter of Intent constitutes the renewal of the Collective Agreement between Air Canada and the IAMAW and shall continue as expressed in the Letter of Intent.

MEMORANDUM OF AGREEMENT BETWEEN

AIR CANADA AND THE INTERNATIONAL ASSOCIATION OF MACHINISTS AND AEROSPACE WORKERS (CLERICAL)

As a result of Air Canada entering CCAA on April 1st, 2003 the Company and the Union agreed to Memorandums of Agreement dated May 27th and May 29th, 2004 that provided for \$175.2 in savings for the Company that was part of an overall \$1.1B labour cost savings required in order to exit CCAA.

In March, 2004 the Company determined that it was \$200M short of the anticipated savings. The portion that was attributed to the IAMAW Clerical unit was calculated to be \$100,000.

Following discussions, the parties have agreed to the following, as credited by the attached term sheet (Attach 1), subject to ratification of the Agreement by the membership of Transportation District 140 – Clerical.

1. Amend Article 15 language to reflect layoff pay to be paid one (1) year after a final layoff date, and as per layoff pay under the Canada Labour Code.
2. This Agreement is subject to ratification of the membership of the IAMAW (Clerical), the process of which will be completed as soon as possible. All terms and conditions of this Agreement will take effect upon a common date of all certified bargaining units and non-union personnel as determined by the Monitor.
3. This agreement shall be effective upon Air Canada confirming to the undersigned and to Deutsche Bank that the non-union employees of Air Canada and Jazz have met the reduction targets as communicated and that all Air Canada and Jazz unions met their cost reduction targets as communicated in order to satisfy the May 15, 2004 conditions of the Stand-By Purchase Agreement. This condition shall be conclusively deemed to be satisfied upon Deutsche Bank and GE confirming their acceptance that the cost reduction and clean slate conditions have been satisfied.
4. The clean slate certificate is conditional upon completion of the Stand-By Purchase Agreement and the successful emergence of Air Canada from CCAA.

5. Air Canada through its Executive Vice-President Paul Brotto shall provide to the undersigned union a copy of each of the term sheets and MOA's for all Air Canada and Jazz union and non-union employee groups along with the estimated cost savings identified for each group as well as Mr. Brotto certifying, in his capacity as an officer of Air Canada and, without personal liability, that each group has met its target savings based on the underlying assumptions and methodologies employed. The above information material, documents and certifications are provided exclusively so that the undersigned union can satisfy itself as to whether each employee group has met its target savings and for no other purpose.
6. The Company agrees to pay, subject to the Monitor's approval, all fees and expenses for legal, actuarial and benefits advisors incurred by the IAMAW in connection with the CCAA restructuring process which commenced in April 1st, 2003.
7. This Agreement is subject to Air Canada concluding with all of its other Canadian Certificated bargaining agents and non-union personnel, agreements that each meet their respective share of the required cost reduction in the above-referenced purchase agreement.

APPENDIX F

Memorandum of Agreement
Between
Air Canada And the
International Association of
Machinists and Aerospace Workers

Subject: Vacation Purchase Plan (VPP)

The parties have discussed and agreed to the following;

The Company will make available a VPP for the calendar years 2013, 2014, 2015 and 2016 (inclusively).

The parties agree that, provided operational and organization requirements are met, eligible employees will be offered the opportunity to purchase an additional forty (40) hours of extra vacation. Each application is subject to approval by the Branch Head of the applicants work location.

Employees who wish to participate must apply, in writing, to their manager before October 31st of the year preceding their VPP request.

Applications will be reviewed and if approved, employees will be notified no later than December 10th of the year preceding their VPP request.

The overall cost of the purchase of forty (40) hours vacation is 2% of your annual basic pay in effect on December 1st of the year preceding. This amount will be deducted from your gross pay, starting with your first pay in January, in twenty-five (25) equal installments and one (1) payment of the remaining amount outstanding.

Should a statutory holiday fall during an employee's week of VPP, the statutory holiday will be taken as a day in lieu immediately following the VPP week unless otherwise mutually agreed to locally.

Should an employees status change due to layoff/termination this would result in a full re-imburement or refund on the employees final pay.

Should an employee's status or work location change during the year, if they have not yet taken their week of VPP it would be subject to approval from the supervisor of the new work location. If the week of VPP had already been taken the normal deductions would continue.

Should an employee be absent from work due to long term illness, injury or maternity leave, etc..., it will be discussed between the Union and the Company for resolution.

Participation in the VPP may be canceled by management due to operational requirements. The purchased VPP amounts will be reconciled with any VPP hours that may have been used.

Note 1: If there are multiple applicants within a department, approvals will be granted in seniority order.

Note 2: Approved vacation purchased through this program will be available to be used during open slots in the vacation roster within the same vacation year.

This agreement is made without precedent or prejudice to any other position the parties may take in the future.

APPENDIX H

Pension Memorandum of Agreement

Between:

Air Canada

- and -

The International Association of Machinists
and Aerospace Workers and its District Lodge 140 ("IAMAW")
(Clerical Unit of Air Canada)

TERMS OF AGREEMENT

New IAMAW Plan

1. Air Canada agreed with IAMAW – TMOS that effective January 1, 2013 or such other date agreed to by the parties, the Air Canada Pension Plan will be split for IAMAW represented employees, former employees and retirees (including their surviving spouses and other beneficiaries) and whose collective bargaining agent is or for retirees and former employees was, the IAMAW, and transfer the pro-rata share of the assets, equal to the transferring members' solvency liability multiplied by the Air Canada Pension Plan's solvency ratio, to the Pension Plan for Air Canada IAMAW Employees Formerly Employed by Canadian Airlines International Ltd (the "Plan") which will be renamed the Air Canada IAMAW Pension Plan ("the New Plan"). Air Canada will continue to be the Administrator of the New Plan. The applicable solvency ratio in the Air Canada Pension Plan shall be determined before any benefit changes, affecting members not represented by the IAMAW, become effective. Air Canada agrees that Finance employees represented by the IAMAW be also transferred to the New Plan as described above.

Benefit Changes

2. The benefit changes provided for in this agreement will take effect on January 1, 2014.

3. The Company and the Union agree to the following changes to help address the solvency funding of the Air Canada pension plans for IAMAW represented plan members by replacing the rules to calculate early retirement pension by the following:

- A provision in the plans stating that an unreduced pension is payable for plan members who retire on or after age 55, with 80 points and with the consent of Air Canada.
- Provisions in the plans, whereby pensionable age shall be age 65; any member who does not meet the above criteria shall have his pension actuarially reduced from pensionable age

The parties also agree to the following:

- A provision in the IAMAW Collective Agreement stating that Air Canada will not deny consent for an unreduced pension payable for IAMAW represented plan members retiring on or after age 55 with 80 points from the plans.
- A provision in the IAMAW Collective Agreement stating that IAMAW represented plan members who are involuntarily terminated will receive consent for an unreduced pension from the date they would have reached the age of 55 with 80 points without projection of service. For example, members who:
 - Die while in service before termination or retirement;
 - Terminate or retire on account of total and permanent disability;
 - Resign due to a terminal condition; or
 - Are terminated by the Company except for cause.

This section 3. (d) does not apply in case of plan termination.

4. Air Canada agrees during the current collective agreement to fund, on both a going concern and solvency basis, the unreduced early retirement of all members who satisfy the eligibility criteria set out in section 3. (a) of this Agreement. During the current collective agreement Air Canada agrees to fund on a going concern basis assuming that these consent benefits will continue after the expiry of the collective agreement.

5. The normal form of pension will cease to be a joint and survivor 50% (J&S50%) and will instead be a 10 year single annuity (G10). Single employees will also be offered a G5 on an actuarial equivalent basis.

Employees with a spouse will be offered a G10, J&S50% and J&S60%. The pension under the G10 form will be reduced by 3% to provide for a J&S50%. The pension under the J&S60% will be the actuarial equivalent of the J&S50% pension. The spouse entitled to the survivor pension will be the spouse at time of retirement.

If the Special Regulation contemplated in Appendix 1 of this Pension Memorandum of Agreement is enacted, this section 5 will be inoperative.

6. The benefit reductions (including the terms of the consent benefits) and the split of the Air Canada Pension Plan in this agreement are subject to the approval of OSFI. IAMAW will support Air Canada's request for OSFI's approval for the above pension plan changes.

7. Air Canada shall draft the new IAMAW Plan text and the amendments to the Air Canada Pension Plan and draft any other documents required to implement this MOA for the IAMAW's review and confirmation that such documents properly reflect the terms of the MOA.

Plan For New IAMAW Represented Employees

8. All new employees hired on or after the date of ratification of the new collective agreement and whose collective bargaining agent is the IAMAW will participate in the federal multi-employer pension plan that the IAMAW is establishing pursuant to the collective agreement with IAMAW TMOS (the "IAMAW MEPP"). .

If the IAMAW MEPP has not been established or does not qualify as a multi-employer pension plan and a negotiated contribution plan, all new employees will participate in an interim defined contribution pension plan pursuant to the collective agreement with IAMAW TMOS ("Interim DC").

All employees hired on or after the date of ratification and before the MEPP is implemented shall become members of the Interim DC. Employer and employee contributions shall commence when the Interim DC is implemented. If the Interim DC is implemented by the end of 2012, there will be a one-time contribution retroactive to the employee's date of hire with the corresponding employer contribution.

Air Canada will become a participating employer in the MEPP and/or the Interim DC when Air Canada is satisfied that the conditions agreed to with IAMAW TMOS have been met.

In the event that an IAMAW MEPP is implemented and Air Canada becomes a participating employer to an IAMAW MEPP, all assets in the Interim DC may be transferred to the IAMAW MEPP. Alternatively, the Interim DC may be amended to become the IAMAW MEPP.

9. Employer and employee contributions to the IAMAW MEPP will be equal to 6 percent of salary each, for a total contribution of 12 percent.

10 The IAMAW will communicate to its members eligible to participate in the IAMAW MEPP that (i) Air Canada's sole obligation with respect to that plan is limited to its section 9 above contribution obligation, and (ii) benefits under that plan can be reduced while the plan is ongoing or immediately prior to the termination of that plan.

Pension Funding Relief

11. Pension funding relief will be in accordance with the terms outlined in Appendix 1 of this Memorandum of Agreement.

This Pension MOA including Appendix 1 shall form part of the Company's collective agreement with the Union.

Appendix 1 to the Pension Memorandum of Agreement

WHEREAS the Company administers ten defined benefit registered pension plans (the “Plans”);

WHEREAS the Union represents approximately 160 employees;

WHEREAS in 2009 the parties agreed, along with the other Canadian-based unions, to temporary solvency deficit funding relief, following which the Government of Canada adopted the Air Canada Pension Plan Funding Regulations, 2009, which will expire in 2014;

WHEREAS the Federal Government continued to request that Air Canada and its Canadian-based unions engage in discussions to address the long-term sustainability of the pension plans;

WHEREAS the parties are committed to the sustainability of the Air Canada pension plans over the long term;

WHEREAS the parties recognize that a reduction in the Company’s pension funding obligations is required;

NOW THEREFORE, the Company and the Union agree as follows:

1. The Company and the Union shall vigorously support regulations under the Pension Benefits Standards Act, 1985 (the “Special Regulation”) that provide for the funding relief set out below. The Company and the Union shall cooperate, act diligently, and take all actions required to implement this Appendix 1 of the Pension MOA and obtain enactment of the Special Regulation, including, without limitation, the making of representations to any governmental authority in support of implementation of this Appendix 1 of this MOA and enactment of the Special Regulations.

2. In each plan year for the period from January 1, 2014 to December 31, 2023, the aggregate past service contribution in respect of solvency deficits and going concern unfunded liabilities for all Plans combined shall equal the lesser of:

(a) \$150 million; and

(b) the maximum past service contribution permitted under the Income Tax Act.

3. The past service contribution described in section 2 of this Appendix 1 will be determined on a Plan-by-Plan basis, with the contribution to a particular Plan being the pro rata share of that Plan's solvency deficit to the aggregate solvency deficit for all the Plans in solvency deficit, all as determined as at January 1 of each year, where such solvency deficit:

(a) is determined as the solvency liabilities less the market value of the assets of the Plan, as determined by the Company's actuary; and

(b) shall not be less than zero for any Plan.

For further clarity, should a Plan have a solvency surplus, such Plan shall be excluded from the pro rata allocation of the past service contribution.

4. The past service contribution to be made to each Plan during a Plan year shall be paid in equal monthly installments, except that the past service contribution determined in a valuation will remain in effect until the next valuation is filed. When the next valuation is filed, there will be a retroactive adjustment made at the next scheduled remittance date.

5. Air Canada may elect to have past service contributions determined, for that plan year, in respect of all Air Canada pension plans collectively, in accordance with the Pension Benefits Standards Act, 1985, and any applicable regulations thereunder rather than the amounts provided under the Special Regulation.

6. It is a condition of this Appendix 1 of this Pension MOA, and the Special Regulation shall so provide, that there will be no outstanding deemed trust relating to the Plans, except:

(a) if and when any contribution required by the application of this Appendix 1 of this Pension MOA is not remitted to the Plan by the due date described herein; or

(b) in respect of amounts deducted by the Company from members' remuneration that are not remitted to the Plan when due.

7. Actuarial methods and assumptions to be employed shall be at the discretion of the actuary, within the standards of the Canadian Institute of Actuaries.

8. All dollar amounts expressed herein are expressed in Canadian dollars (CAD).
